

Avondale

Heights

Football Club

Established 2013

Footy's back and the Heights are primed for success in 2017.

As newly elected President, I am looking forward to seeing all our hard work that the committee, players and coaches put in during pre season come together for victory week in, week out.

As great as that sounds we need the whole community to get behind the Heights, whether that be volunteering on match day, training nights, or working behind the scenes in the media communication.

We also need you to partner financially with us to recruit and re-sign A Grade guns like Cameron Wood, Patty Rose, Matt Cravino, etc. This is where Club V Membership comes into play. We are looking for Mums, Dads, Supporters of the Heights to purchase a fantastic Membership with amazing benefits that will ensure success now and into the future!
